Unified Messaging Quick Reference Guide

Getting Started
You can access Unified Messaging by:

- Opening your copy of Microsoft Outlook
- Navigating to Outlook Web Access: [https://www.mail.ubc.ca](https://www.mail.ubc.ca)
- Dialing 2-2010 and entering your PIN

Accessing Voicemail in Outlook
For information on how to access voicemail in Outlook, refer to the Unified Messaging User Guide.

Phone Access
Mailbox Log On
Access your mailbox from your phone

- Dial 2-2010
- Hear your name as displayed in Active Directory
  (or you will hear a recording of your name, if it has been recorded in Personal Options)
- Enter your PIN and press #

Or, you can enter your PIN and press # immediately after “Welcome”

Voice/Touchtone Interface

<table>
<thead>

**Mail Message**

1. Replay message
2. Call this contact
6. Forward Message (d)

**Notes:**

a. Header includes date/from
b. Envelope includes date/time/from/length
c. Reply allows you to send a reply message to the caller's mailbox, if the caller is also an Exchange subscriber.
d. Forward Message forwards the current message to the mailbox of another Exchange subscriber or an external email address.

**Deleted Messages**

When a message is deleted on the phone, it is moved to your Exchange Deleted Items folder. When the message is deleted from Deleted Items, it cannot be restored.

**Missed Call Identification**

Callers who hang up before leaving a message are identified in an e-mail message sent by the system.

**Message Waiting Indicator (MWI)**

"On" with each new message; "off " when all new messages are played.
