Choose your working style

Wherever you work, however you work, Plantronics delivers innovative products to meet your needs today and in the future. Choose the working style that matches how you work and then explore the products that would work best for you.

Executive

When on conference calls, managing your team, and collaborating across continents high-quality voice is important. Find solutions to ensure you sound your best as well as satisfy your need to stay connected.

Office worker

Most days you are in the office, working at your desk, and on conference calls. Whether you use a softphone or your desk phone, find the headset that suits your working style.

Mobile worker

You work from everywhere — your car, the airport, customer locations — and your mobile phone is your primary communication tool. Find the right headset for your life on-the-go.

Flex/Remote worker

You work from home, in the office, and are often on-the-go. Regardless of device or location, you want to stay connected.
